

## INTERNSHIP OPPORTUNITY: DEVELOPMENT COMMUNICATIONS & DATA ANALYSIS

### BRICS INSIGHTS CONSULTANCY LIMITED

*Location: Nairobi | Duration: 3-6 months.*

Are you passionate about storytelling and numbers? BRICS Insights Consultancy Limited is offering an exciting internship opportunity for a motivated individual interested in the dynamic intersection of **development communications** and **data analysis and reporting**.

#### Who We Are

BRICS Insights is a leading Research and Advisory firm committed to generating actionable insights that shape policy, drive development, and create impact. We work with governments, NGOs, development partners, and the private sector actors across a wide range of issues including food security and agribusiness, climate adaptation, and social protection.

#### What You will Do

As an intern, you will support our communications and research teams by:

- Assisting in the preparation of data-driven reports, policy briefs, and presentations.
- Translating complex data into accessible content for diverse audiences.
- Supporting the design and execution of communication campaigns for ongoing projects.
- Managing digital content including social media and newsletters.
- Contributing to knowledge management and documentation efforts.

#### Who are we looking for?

We're looking for someone who:

- Is currently pursuing or recently completed a degree in Development Studies, Communication, Statistics, Economics, or related field.
- Has basic knowledge of data analysis tools (e.g., Excel, STATA, R, or Power BI).
- Possesses strong writing and visual storytelling skills.
- Is digitally savvy, creative, and a quick learner.
- Demonstrates curiosity, initiative, and attention to detail.

#### Why Join Us?

- Gain hands-on experience at the intersection of research, policy, and communications.
- Work with a passionate team committed to evidence-based development.
- Receive mentorship and build a portfolio that reflects real-world impact.

#### How to Apply:
